COALITION UPDATES: 915am

- **Chris Goodman** - works at Children's Hospital in Boston - would like to "intern" with us to help with marketing for coalitions and outreach to promote SoRock to make sure folks understand how a coalition works and the funding issues
- **Prom Updates** - good training on Samaritan Law / Overdose / Social Hosting
- **Gizmo** - went to Hampstead / Danville / Sandown kiddos received Gizmo; 1st and 2nd grades; schools are receptive to more
- **Virtual Climb** - such a success
- **Anxious Nation Screening** - great partnership between CLM & SoRock - grandparent aged folks well represented (almost 40 people) and multiple towns; Create a series with Resilience and The First Day?
- **Sanborn's Project Stand By Me** - students to Camp Lincoln and parents to SoRock for risk / protective factors; the day went really well - discussed substance misuse prevention and kids/parents got to do activities with their parents; kids got drawstrings and parents got parent packs
- **Senior Power Packs** - CScott attended a meeting where seniors were talking about how to get information out to them
- **Plaistow Old Home Day** - CScott will go (if it's not raining :)
- Working with Sanborn on a proposal called **Getting to the Y** (about the YRBS) regarding students taking ownership of the stats
- **LockBoxes / Trigger Locks / Doterra** - available to Newton / Kingston / Fremont
- **Derry Cam** - willing to show sites where information will be available (kits / resources)

SUSTAINABILITY AND BUDGET REPORTS: 9:07AM

- No word on STOP Act as of yet - no word likely till early fall (would be 60k/year for 3 years)
- Waiting on Danville check; Fremont anticipated in July; Hampstead, Plaistow, and Kingston sent check; Newton has temp people so they are working on it; Also will get 3k annual stipend from SRHS
- In the budget for 40k per year for existing coalitions on HB2 (same level as federal funding but will take anything) - SoRock is hopeful that it made it in the Senate portion of the bill (EZarka can look into it for SoRock)
- Local organization - Evan's Gift -has decided to dissolve and will gift SoRock their money (\$900 for shirts for virtual hike) and potentially 3k more coming - they were supposed to meet in June
- Opioid abatement commission - has received settlement money (separate from State money) - not in the SoRock catchment but will pass along to SCPHN to see if Kate can get some of the money
- AFSP and SoRock are looking to partner for a grant for Gizmo books (funding is 50k)
- Fundraiser in Atkinson is still on! Aim is for August to host a country event

PARTNER UPDATES: 955 am

- Governor put out a statement on **marijuana legalization** - Eliza will be working on a legalization effort across the country to look at what state control could look like; the governor is not willing to bend on state control to avoid no youth messaging and not taxing it;
- New Futures - the legislators voted last week with excellent results on the budget where the **Alcohol Fund was approved** at a 5% of gross liquor profits which helps our substance use disorder prevention, treatment, and recovery. Feel free to contact Janet at jhunt@new-futures.org.
- **SPHN**- still waiting on budget information; working on end of year fiscal
- **CLM** - Concert event coming up in July; Ginger Zee event just happened; HOPE Program for Children's Program - folks specifically trained in first episode psychosis treatment (older teens and younger adults)
- **TRHS** - working with Athletic Director to develop / train leadership in other districts; would the Athletic Directorship take on LOA
